

CASF Web Site Information Privacy Statement

CASF is committed to maintaining the privacy and security of the personal information of all the visitors to this site. As a part of our commitment, our Privacy Policy describes the type of information about our visitors we collect, why we collect it and where it goes. We encourage you to read this Privacy Policy each time you visit the CASF Web site.

CASF may collect information in two ways:

- 1.) We passively collect information that is automatically sent to us by your Web browser. This information typically includes your domain name (the name after the “@” symbol in your e-mail address). We also may contain your user name (the name before the “@” symbol in your e-mail address). The amount of information sent depends on your own Web browser’s settings; please refer to your browser software documentation if you want to learn more about the type of information it sends.

We use the information we automatically receive from your Web browser to determine which pages you visit within our site, which site you visited before coming to ours and where you go after you leave. CASF can then develop and analyse statistics that will help us understand how our visitors use this site. This statistical data is interpreted by CASF in our continuing effort to present Web site content sought by our customers in a format they find most helpful.

- 2.) We actively collect information when you contact us, order samples, request a quote or respond to any surveys, questionnaires or applications we may make available on this site. If you e-mail us, you are voluntarily releasing information to us. If you answer questions we have placed on the page, you are also voluntarily releasing that information to us.

CASF Australia is the national supplier of DuPont™ Corian®, DuPont™ Simplicity® and Next Timber and Next Stone in Australia.

CASF will not share your e-mail address with any third parties other than CASF or its partners and its affiliates. CASF, however, may use any of the information gathered at this site for any legal purpose. For example, we may use the information, to follow up on any samples orders you may have placed with us, for direct marketing or we may analyse it for historical or statistical purposes. We may also use it to investigate security breaches or cooperate with authorities pursuant to a legal matter.

We may have collected similar information from you in the past. By agreeing to the terms of our privacy policy you are consenting to our continued use of previously collected information.

This page may contain certain hyperlinks to other Web sites outside CASF. While CASF has posted an appropriate Privacy Policy throughout this Web site, we cannot guarantee the privacy of any information collected on the hyper linked pages outside of this site. We therefore recommend that you read the Privacy Policy for each site you visit.

If you have any questions, comments, suggestions on how we can make this site more useful, or if you are concerned about our use of your personal information, please contact us at: marketing@casf.com.au
